A SOFT PLACE

Long-pile velvet

EN A precious long-pile velvet that combines the visual effect given by the plush look and the variable surface with the richness of the material and a great softness. It provides excellent performances with a functional soul linked to good resistance.

IT Un prezioso velluto a pelo alto in cui all'effetto visivo dato dalle marezzature e dalla cangianza fanno eco la ricchezza della materia e la grande morbidezza. Offre ottime prestazioni, con un'anima pratica legata alla buona resistenza.

FR Un velours précieux à longs poils, où à l'impact visuel dû au marbrage et à l'effet optique fait écho la richesse et la grande douceur de la matière. Ce tissu offre d'excellentes prestations, avec une vocation pratique due à la bonne résistance.
